If you are a “snow bird” and will not be here for the winter show, you have several options. Just put a big “X” through the winter section, and we will not assign seats for you for the winter production. Or, you may choose a date and let someone else use your tickets. Just let them know that the reservation will be in your name when they arrive at the theatre will-call table.

If you would prefer to order season memberships and NOT make ANY specific date choices at this time, please check here: _____ We will send a confirmation of your order, but you will need to call in for a specific seat reservation prior to each show. Remember that many of the seats will already be filled if you choose this option. We **highly recommend** selecting some specific dates and then changing them at a later date if needed.
